

Rotational Grazing Program Terms & Conditions

Objective:

- To maintain productive forage cover on lands that would otherwise be prone to erosion.
- To protect the soil on less productive or sensitive land with vigorous plant cover.
- To enhance overall economic production because rotational grazing systems allow for greater stocking rates per unit area of land.

Eligibility:

- All applications must be made out by the owner of the land;
- Crown Land must be made out in the Leasee's name;
- Land must be within the La Salle Redboine Conservation District;
- Land must be near an available water source.

Roles and Responsibilities:

The Applicant Shall:

- Sign consent of entry including any agreed upon or special conditions;
- Request assistance by the proper application, which is to be received at the Conservation District office;
- Adopt a rotational grazing system as suggested by a management professional, and provide a management plan;
- Not alter, change, remove or modify the project without written consent of the district;
- Will not trade, sell, or barter materials purchased by the district;
- In case of new ownership or rental change, the district ask that they be notified and be able to approach new landowner/renter to continue the project or return part of the cost of the fencing materials;
- Determine the appropriate number of livestock to their pasture's capacity;
- Landowner will be responsible for all costs of installation and maintenance of fencing and equipment;
- Allow District to place signage at project site for CD contribution to project; signage removal must be approved by the Conservation District prior to removal; and
- Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project.

The CD Shall:

- Determine application priorities in consultation with the Board staff;
- Develop project in consultation with a specialist from Manitoba Agriculture, if required.

Project Funding/Cost-Sharing/Incentives:

- The La Salle Redboine CD will pay 70% of material costs up to a maximum of \$500 for interior fencing only. The remaining 30% and all costs over the maximum will be the responsibility of the Registered Landowner.
