Urban Naturalization Program Terms & Conditions

This program is intended to provide funding, technical assistance and project implementation assistance to urban communities for the development of natural resources within town limits. Projects can include items such as nature trails, interpretive signage, tree plantings, improvements, conservation land set asides and habitat improvements. Other similar projects will also be considered.

Objective:

- To include urban centers in Conservation District resource management and to educate residents about the importance of a healthy watershed.

Eligibility:

- Urban center must be either a member of the Conservation District or governed by a member Rural Municipality;
- Only organized community groups, municipalities, or schools are allowed to apply for LSRBCD funding.

Roles and Responsibilities:

The Applicant Shall:

- Submit a letter of proposal to Holland Office , stating project and services they would like LSRBCD to provide;
- Provide consent of entry or acquire consent from appropriate landowner for inspection & construction;
- Provide sufficient room for construction;
- Allow LSRBCD to conduct tours of project site;
- Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project.

The CD Shall:

- Provide technical assistance, funding, and project implementation assistance.

Project Funding/Cost-Sharing/Incentives:

- Project funding will be determined on a project by project basis by the LSRBCD Board of Directors. Funding may be allocated to projects deemed a higher priority or better fit to LSRBCD mandates.

LSRBCD will encourage cost sharing partnerships with Municipalities and external organizations to maximize program benefits.
