Shelterbelt Program Terms & Conditions

Objective:

- To minimize the impact of wind erosion, create wildlife habitat, increase habitat connectivity, improve localized crop yields and retain soil moisture.

Eligibility:

- All lands must be located within the La Salle Redboine CD;
- Crown Lands must be made out in the Lessee's name

Roles and Responsibilities:

The Applicant Shall:

- Complete the appropriate application form and submit to CD Office;
- Provide trees for planting
- Provide consent of entry for plantings;
- Provide access for inspection, tours or evaluation by CD Board or staff at any reasonable time;
- Provide sufficient room for plantings, and properly prepare the site, before planting;
- Provide tractor and driver for planting trees and laying plastic mulch;
- Provide proper management of shelterbelt including but not limited to: weed control, watering, etc.;
- **Replace at 100% cost if damage to the shelterbelt is the result of the neglect of any of the preceding;**
- Allow District to place signage at project site for CD contribution to project; signage removal must be approved by the Conservation District prior to removal; and
- **Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project.**

The CD Shall:

- Provide on site inspection with landowner prior to planting;
- Provide landowner with use of tree planter and mulch applicator as well as labourers if necessary;
- Deliver the equipment to the landowner if necessary;
- Assist landowner with planting if necessary;
- Inspect periodically, and advise landowner on management of shelterbelt.

Project Funding/Cost-Sharing/Incentives:

- The La Salle Redboine CD will provide the tree planter and mulch applicator as a free rental. If necessary, LSRBCD will also supply labourers to help operate the machinery free of charge.
- LSRBCD will cover 50% of the cost of any plastic mulch required. The landowner will be responsible for the remaining 50% of the cost of the plastic mulch, and all costs associated in acquiring the trees.

I understand and agree to the terms and conditions outlined in the above document:
